TOWN WARRANT

STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Orford in the County of Grafton in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town House in said Orford on Tuesday, the eleventh day of March next, at nine of the clock in the forenoon, to act upon the following subjects:

- 1. To choose all necessary Town Officers for the year ensuing.
- 2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.
- 3. To choose one Selectman, one Trustee of Trust Funds, and one Library Trustee for three years ensuing.
- 4. To see if the town will vote to apply for State Aid in building and maintaining permanent highways; and what sums of money it will vote to raise and to appropriate for that purpose in addition to that required by law.
- 5. To see how much money the town will vote to raise and to appropriate to insure Orford Bridge and other town property.
- 6. To see how much money the town will vote to raise and to appropriate for the use of electric lights.
- 7. To see if the town will vote to dispense with the distribution of the inventory blanks until the selectmen appraise the property.
 - 8. To see if the town will vote to continue the

work of eradicating Pine Blister Rust, and to raise and to appropriate money for the same.

- 9. To see if the town will vote to instruct the selectmen to hire money in anticipation of taxes.
- 10. To hear the Budget of the town and to raise and to appropriate any money recommended therein, or to pass any vote relating thereto.
- 11. To see how much money the town will vote to raise and to appropriate for Orford Social Library.
- 12. To choose any Agent of the town for the purpose of transferring real estate belonging to the town.
- 13. To see how much money the town will vote to raise and to appropriate for the purpose of finishing the surfacing of the River Road to the Lyme line.
- 14. To hear the reports of agents, auditors, or committees heretofore chosen, and to pass any vote relating thereto; and to transact any other business that may legally come before said meeting.

Given under our hands and seal, this sixteenth day of February, in the year of our Lord nineteen hundred and twenty-four.

HENRY M. CLARK,
WILLARD R. HARRIS,
OLIN N. RENFREW,
Selectmen of Orford.

A true copy of Warrant—Attest:

We have examined the reports of the selectmen, treasurer, road agent, trustees of trust funds and trustees of libraries, and believe them to be correctly vouched and cast.

HITTIE R. CARR, CHARLES S. CUSHMAN.

Auditors.

To the Inhabitants of Orford:

We hereby submit our annual report for the year 1923.

On the whole the year has been successful as is evidenced by the increase of the surplus.

The principal overdraft was for Trunk Line Maintenance, over which the selectmen have not full control.

In compliance with the laws of the state several road signs were purchased, but were received so late in the season that they were not set up, but they will be in the spring. The cost of these signs was met by the increase in automobile permits, and when placed in position at the various cross roads we trust that they will be duly appreciated by the traveling public.

We wish to call attention to the article in the Warrant to finish the surfacing of the River Road from the residence of Mrs. Mary Dow to the Lyme line; and we recommend an appropriation for that purpose.

Last fall the people living on this road showed their public spirit by surfacing this road from the corner of the Dartmouth College Road to Mrs. Dow's without any expense to the town except for the gravel and the services of the road agent. We also wish to acknowledge the generous contribution to this purpose by the Coburn Brothers and F. A. Chesley of Lyme.

We would also call attention to the item in the Budget in regard to Trunk Line Maintenance. The amount seems large, but the state is making a change of ratio for this year from 4:3 to 3:1, so the town pays only one-fourth of the cost. The details of the proposition of the State Highway Department are in the hands of the selectmen and will be explained at town meeting, being too long to be included here.

We would again thank the people of the town for their support and co-operation during the year.

HENRY M. CLARK, WILLARD R. HARRIS, OLIN N. RENFREW,

Selectmen of Orford.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Orford:

It is with pleasure that I hereby present my annual report of the schools of Orford. This last year has seen but little change in the school program. The work has followed as closely as possible the Program of Studies outlined by the State Board of Education.

The teachers this year are as follows: East Orford, Verna Greenly; Mt. Cube, Ruth Gove; Orford-ville, Hazel Williams; Orford Street Primary, Ida King; Orford Street Grammar, Annie Barrett. The three last named teachers began their work in Orford last September. We are fortunate in having such a good teaching force, and I can report that the schools are running smoothly.

The attendance last year averaged 91 per cent of the membership. This was a decrease of about 2 per cent as compared with the previous year. This decrease in attendance was due to the severe winter of 1923. The average attendance for the state last year was 93.4 per cent.

The following figures regarding our schools for the last year will be of interest: Number of different pupils enrolled 104; visits of School Board to schools 18; visits by Superintendent 181; by others 161. I wish that more parents would find time to visit our schools and thus get acquainted both with the teachers and the work being done.

The following pupils were perfect in attendance for three terms last year: Phyllis Bean, Malcolm Bean, Paul Butman; for two terms, Frances Bean, Bernard Moulton; for one term, Ruth Franklin, George Bean, Glenn Marsh, Roy Marsh, Harry Foote, Maurice Bean, Pearl Butman, Clinton Spencer.

Standard tests were given last Spring in arithmetic, reading, language and history as well as tests to show mental ability. These tests make it possible for us to compare the progress made in a given subject with the progress made by large groups of children rather than leaving it to individual judgment. Last October tests were given to grade 8 in arithmetic and spelling. These tests showed that in arithmetic

the average achievement was the same as the average for the state, while in spelling the average result was a little better than the average for the state.

The medical inspection and follow up work has been done by Miss Underhill, our district nurse. As school nurse, she has been zealous in her work. Following the examination, she has not only dealt with needy cases, but has gone with them to the homes, persuading people to act. This year in addition to urging attention to defective eyes, diseased tonsils and adenoids, etc., considerable attention has been given to children that were underweight. Parents should give attention to the notices sent them by the nurse, for no pupil can do the mental work of the school properly if physically handicapped.

The two most important steps in improving schools are to improve the teaching and to increase the actual attendance. Both teachers and superintendent are working for these objectives.

In conclusion I wish to thank the Teachers, School Board, and Citizens for helpful support and loyal cooperation.

Respectfully submitted, WILLIAM J. NELSON. Superintendent of Supervisory Union No. 48.
